

ECO-RESPONSIBILITY CHARTER FOR PARTICIPANTS

All aware that outdoor events must be carried out in strict application of barrier gestures and in strict compliance with the rules transmitted by the government and our environmental values, the objective of this "Eco-responsibility charter for participants" is to supervise the "Mimosa Where in the World? Virtual Challenge".

Each participant of the "Mimosa Where in the World? Virtual Challenge" undertakes to:

- Run/walk/ cycle without exceeding the limits imposed by the Covid-19 health protocol in force from 10th to 25th April 2021.
- Run/walk/cycle alone or while respecting social distancing
- Not run/walk/cycle if you have symptoms of COVID-19
- Not run/walk/cycle if you had the last symptoms of COVID-19 less than 14 days ago (you must stay confined)
- Run/walk/cycle outdoors
- Run/walk/cycle without using changing rooms which can be made available for outdoor activities
- Respect the rules of the road
- Respect the specific rules in force in your area
- Do not spit

Behave in an Eco-responsible way

- Do not throw litter on the public highway
- Respect and leave public places clean
- Use a reusable water bottle rather than a single-use plastic bottle
- Run / cycle close to home without using any means of transport
- Opt for a shower not a bath, even after exercise!
- Think about the preservation of the natural environment
